---

Two vehicles collided on US 221 at Cranberry Springs Road late yesterday afternoon, but no one in the vehicles were transported to the hospital. Brenda Martin of Miller's Creek was stopped to turn onto Cranberry Springs when her 2001 Subaru was struck from behind by Gloria Elrod's 96 Toyota Rav4. Fleetwood Fire/First Responders were dispatched along with Ashe Medics, but no one claimed injury. The state patrol cited Gloria Elrod of Boone with Failure to Reduce Speed in the 3:45pm accident.
