Watauga High Athletics Director Tom Wright has announced that the final regular season home game against Hibriten on Friday, October 21 is going to be called "Pack the Pantries" night.

WHS will be collecting non-perishable food items at the gates. And for those making donations, there will be a \$1 discount on ticket prices---a \$6 ticket will only cost you \$5. These items will be distributed to the elementary school pantries across the county. WHS will also be giving away free T-shirts to the first 100 people through the gates with a non-perishable food item that night. For more information, you may call WHS at 264-2407.
