The Watauga High men's and women's indoor track teams opened their respective seasons with a polar meet at

North Lincoln High School in Lincolnton, NC, Monday afternoon.

Both the men and women dominated the meet. The men won five events and bested the field with 75 points. Alexander Central finished a distant second in the four-team meet with 34 points. The women's meet was a little more competitive. The Pioneers nosed out Alexander Central 66-56 to win the meet.

Kathleen Mansure won the women's 1,600-meter run (6:07.7); Taylor Drummonds won the 55-meter high hurdles in 9.5 seconds.

For the men, Jackson Carr won the shot put event with a throw of 33-feet, five inches; Reid Harris won the 55-meter dash (6.7 seconds), Andrew Vandenberg won the 1,600 (4:59.5), Bryan Brackney won the 500 (1:12.1), and Josh Anderson won the 1,000-meter run (2:54.9).
