The Carolina Panthers' game on Sunday against the New Orleans Saints at the Superdome in New Orleans, La., will be carried on AM 1450, WATA Sunday beginning at noon. The reason for the move concerns a scheduling conflict with Tar Heels basketball. The University of North Carolina will play Monmouth in a non-conference Sunday at 3 p.m. in Chapel Hill, NC, and that game will air on Mix 102.3 FM beginning at 2 p.m.
