244 Appalachian State University students have earned Academic Honor Roll recognition for the fall 2011 semester, as announced by Kim Sherrill, the Director of Academic Services for student-athletes.

Those honored include 195 student-athletes and an

additional 49 trainers, managers and cheerleaders. To be included on the Academic Honor Roll the student must have a 3.25 or higher semester GPA while enrolled in a minimum of 12 hours. More than 40% of all student-athletes qualified for the honor roll. In addition to student-athletes, those students that work in a direct capacity with athletic teams, such as student-athletic trainers, managers, etc. were counted as a part of the list as well.

The 244-student total is 19 more than were recognized last fall, surpassing the previous record of honorees in a fall semester.

Of those meeting the 3.25 GPA criterion, 19 student-athletes and 26 overall students had a perfect 4.00 GPA during the semester.

All honorees will be recognized at halftime of the Mountaineers' men's basketball game against Chattanooga on Wed., Feb. 15.

The complete list of students that achieved the academic feat is included below.
