GoASU.com will provide in-depth coverage of National Signing Day for Appalachian State University football throughout the day on Wednesday. The coverage begins as soon as the

first National Letter of Intent/grant-in-aid agreement rolls off the fax machine on Wednesday morning, as GoASU.com will provide a real-time listing of signees as the NLIs come in. Once the signing class is finalized, GoASU.com will post a complete list of the newest class of Mountaineers with stats and other biographical information for each signee.

At 6:15 p.m., GoASU TV premium subscribers can tune in for a video stream of ASU's annual National Signing Day reception, live from the Appalachian Athletics Center. The show, hosted by the Appalachian IMG Sports Network football broadcast team of David Jackson and Steve Brown, will include highlights of all of Appalachian's signees, comments from head coach Jerry Moore, assistant head coach/offensive coordinator Scott Satterfield, defensive coordinator Dale Jones, recruiting coordinator Scot Sloan and Rivals.com reporter Brian McLawhorn. GoASU TV will also have clips following Moore's Signing Day press conference.
