Rising senior guard Jevon Patton of Highland Tech is transferring to Olympic High in Charlotte to "face stiffer competition and to raise his stock with college coaches." Patton turned in a solid junior year leading Highland Tech to a 21-7 record. He averaged 22 points, eight assists and six steals a game. The 5-foot-9 senior will join an Olympic squad that went 28-2

last season. Appalachian State is among the schools that have expressed an interest in Patton. Winthrop and Niagara are also in the running.
