---

The 4th Annual Will Dicus Memorial Baseball Tournament was held June 23-24, and according to coordinator Marty Lambert, "the tournament was a huge success." In all, 32 teams and more than 350 players competed for championships in four baseball and two softball age divisions. There were more than 50 games played on multiple ball

fields over the two day event. Ashe County High School and Watauga High School hosted the event.

"A big thank you to Marc Payne of Ashe High School and to Tom Wright at Watauga High," Lambert said. "It was nice of Marc to give us a field after Watauga could not after the CAR show conflicted with our schedule. We really appreciate Marc helping us. We would not had been able to host a girls softball tournament without his help."
