Watauga High men's basketball coach Rob Sanders has announced that due to a scheduling conflict at Ashe County High School the teams have switched playing sites. The November 30 between

the Pioneers and the Huskies will now be played in Boone at Lentz-Eggers Gym, and the January 9 game will be an away game at the Dog Pound in West Jefferson. WHS opens the season at home against Avery on Tuesday, November 20; the Pioneers will open Northwestern 3A/4A Conference play at Fred T. Foard on Friday, December 18; Senior Night will be Friday night, February 15 against St. Stephens.

The Pioneers will also play a home-and-home series against McDowell this season (the first time these schools have played each other since 2008-09 season), and WHS will make a return trip to the Alleghany Christmas Tournament in December (27-28).
