Anna DeChellis has been named the new women's tennis coach at Watauga High. She replaces Christine Vanard, who left the program after coaching the team last season. Vanard is going to graduate school to further her

education. DeChellis is a native of Ohio from the Canton-Akron area, and she is a graduate of Ohio State University.

Men's tennis coach Scott Taylor was running the women's team on an interim basis until DeChellis was hired. DeChellis is scheduled to make her head-coaching debut Wednesday when the Pioneers entertain Pfaftown-Reagan at the Sports Complex.
