The Lees-McRae College volleyball program is pleased to announce the launch of their very own team store, made available through BSN Sports. The store will be open through Tuesday, September 4, with 10 percent of all

proceedings going directly to the Bobcat volleyball program. Lees-McRae is primed for another strong women's volleyball season, returning eight letter-winners from last year's squad, including 2011 Daktronics and AVCA NCAA Division II all-Southeast Region selection Taylor Clendenin (Statesville, N.C.). James Goodridge takes the reins of the women's program after leading the Bobcat men's team for the last two seasons, hoping to build on the foundation established over the past 14 years. To access the Bobcats' team store, fans go to lmcbobcats.com and enter the access code "bobcat9W6".
