West Jefferson Aldermen have appointed Chris Barr, Jack Reeves and David Miller as the West Jefferson ABC Board, with Barr named chairman. Town Manager Greg McGinnis said the volunteer board is charged with all aspects of setting up and

operating the ABC store for the town. West Jefferson residents voted on the store, along with the sale of mixed drinks, last month. The town's ABC board will choose a site for the store, decide on financing, hire staff and manage the operation. Meetings of the ABC board are open to the public. Topics including real estate transactions, contract negotiations, and personnel...are subject to closed session under the state's open meetings law requirements. The board does not have to accept public comments.
