

A CORRECTION CONCERNING WHS BASKETBALL

Written by Mike Kelly
Friday, 25 January 2013 09:25

It was reported that the Watauga High girls basketball team lost to Hibriten Wednesday night for the first time since the 1997-98 season. But upon further

review, the Panthers actually beat WHS on December 4, 2001. And dating back to the 1997-98 season, the Panthers have only beaten WHS four times. And Wednesday night's win snapped an eight-game losing streak against the Pioneers (counting conference tournament games) since Hibriten and WHS became Northwestern 3A/4A Conference opponents in 2009-10. GBR apologizes for the error.
