How quickly things can change in just a short period of time. Watauga High boy's golf coach Mike Northern has announced that today's Northwestern 3A/4A

Conference opener at the Catawba Springs Golf Course in Hickory has been postponed.

The Pioneers are scheduled to play at Orchard Hills Golf Course Monday. South Caldwell will be the host school. Today's match, according to Northern, could possibly be made up next Thursday, but nothing official concerning that match as of yet.
