The North Carolina Coaches Association has released the rosters for the East-West Senior All-Star games coming up in July. In basketball, senior Imani Williams of Freedom High in Morganton will play for the West squad. The girl's East-West All-Star game will be played at the Greensboro Coliseum on Monday, July 22.

Four players will represent the Unifour in the East-West All-Star football game on Wednesday, July 24. Wide receiver Matt Quigley of Alexander Central, offensive lineman Kyree Conner of Hickory, tight end Clayton Welker of South Caldwell, and tailback David Burgess of Freedom will play for the West squad.

This is the first time in three years that Watauga High did not have a football player selected to the all-star game. Defensive end Jordan Pineda was selected to play in 2011, but bypassed the game to attend summer school at Wake Forest University; linebacker Alex Fox represented WHS in the all-star game last summer.

The football game will be played at Simeon Stadium in High Point, N.C., this season. The men's soccer rosters have been previously released; men's basketball and women's soccer rosters will be released when they are completed.
