The Milligan College softball team has announced the addition of Watauga High School standout Kimberly Robinson to the 2013-14 signing class. Head Coach Wes Holly made the announcement on May 17. “We are excited that Kim has chosen Milligan to continue her athletic/academic career,” Holly said. “She has great potential on the field and is an excellent student. We look forward to her contributions over the next four years to both our softball program and student body.”

Robinson just finished her senior season at Watauga High School. She was a two-time All-Conference selection (2012 and 2011) and was the MVP of the conference in 2011.
