The Lenior-Rhyne University football team has donated its football jerseys to

Bunker Hill High School this season.

The Bears announced a new partnership this past week with Under Armour to supply the school's athletic programs with uniforms. Bunker Hill will wear Nike jerseys this season, which were previously worn by the L-R football team.

The only change to the jerseys will be a Bunker Hill patch sewn over the L-R logo just above the numbers on the front of each uniform.

Bunker Hill will debut its new jerseys on Aug. 23 at home against the Cherryville.
