

Pioneers Going Back Home....

Written by Staff Reports

Monday, 19 August 2013 08:08

High Country Radio and GoBlueRidge.net is proud to announce that Watauga High School Athletics is returning to its original roots this season. All WHS football, basketball and baseball games will air on AM 1450, WATA this season. To broaden the listener base and provide additional opportunities to hear the broadcasts, High Country Radio is proud to announce the Pioneers Sports Pass.

At a yearly cost of \$9.95, subscribers will have a front-row seat to every WHS sports broadcast this season. The package includes all WHS football, basketball and baseball games during the 2013-2014 season. This also includes any conference tournament and state playoff games the Pioneers play in this year, and any other additional sporting events involving WHS athletics. The online stream will be especially beneficial for family and friends, who do not live in the area, but still root for the Pioneers.

In all, the package will feature nearly 90 games of excitement throughout the 2013-14 season. That's a cost of less than ten cents a game and less than \$1 a month. For more information, please visit GoBlueRidge.net/pioneers . Thank you, from the management and staff of High Country Radio and GoBlueRidge.net.
