Wood finished in a first-place tie with Carolyn Howes of South Caldwell with a seven-over-par 43. It was Wood's fourth consecutive first-place finish in conference play. She came in leading the field by three shot for the individual title with two matches left in the regular season.

Wood increased her lead to four shots with Tuesday's effort.

"It is a tough layout, and overall, scores were high today," said WHS coach Jamie Wilson. "Savanna tied for medalist with a 43, and Mary Seramur tied for third with several golfers with a 45."

Thompson has a 120 score through the first five NW3A/4A matches of the season.
