Just like the title says, Watauga High boy's basketball coach Rob Sanders is attempting to put together an alumni group of former Pioneer basketball players. Coach Sanders would like any and all former Pioneers from 1965 to 2013 to send an email stating your name, and years played at Watauga to sandersr@watauga.k12.nc.us.

You may also include a brief description of your experience as a Pioneer and where you are now if you choose. Coach Sanders' email address may also be found on the school's web site, as well as the Watauga boy's basketball facebook page.
