GoBlueRidge.net would like to thank Watauga High swimming coach David Gragg for getting us the results from the tri-meet at Lenior-Rhyne University that was held last Wednesday, December 11. A computer glitch caused the delay.

The WHS girls lost to St. Stephens 65-29, but defeated Hickory Christian, 69-23, and Alexander Central, 81-9.

The Pioneers won two events. Julianna Silver won the 100-meter breaststroke in 1:17.38 and Kimberley Vines won the girl's 100 backstroke in 1:10.36. The Pioneers also produced 20 top five finishes.

"It was a tough meet against St. Stephens," Gragg said. "They really showed why their women are the favorites to repeat as conference champions. Our girls fought really hard with the lineup we had swimming. We have some areas what we really need to improve upon between now and conference."

The WHS boys lost to St. Stephens, 54-36. But they defeated Hickory Christian, 59-28, and Alexander Central, 50-35.

The Pioneers won three events. Nick Woody led the way, winning two events, the 100 backstroke 1:05.12 and the 200 IM in 2:17.72. Reed Conner won the 100 freestyle in 54.67.

The Pioneers produced 15 top five finishes.

"The boys did not swim our strongest lineup possible," Gragg said. "I was focusing on getting times in events as opposed to winning the meet. Freedom will be a tough meet this week for our guys."

WHS travels to Morganton Wednesday night for their final meet before the Christmas break.
