The Lees-McRae men's volleyball exhibition match against Milligan has been postponed due a winter storm in the area. Opening serve was slated for 7 p.m. at Williams Gymnasium in Banner Elk, N.C.

The area is expecting 2-6 inches of snow throughout the day while the campus will close at 3 p.m. The Bobcats (1-1) split a two-game road swing over the weekend. LMC plans on rescheduling the match with the date to be determined.

The Bobcats return to action when they host Belmont Abbey Friday at 7 p.m., before welcoming St. Francis (PA) Saturday afternoon at 1 p.m. Both matches will commence in Williams Gymnasium on Lees-McRae campus.
