The Lees-McRae basketball doubleheader scheduled for Wednesday evening against Limestone has been postponed due to inclement weather.

The Banner Elk, N.C. area and much of the Southeast was hit by a winter storm on Tuesday. The women's game was slated to tip at 5:30 p.m. with the men's game to follow at 7:30 p.m.

The games have been rescheduled for Monday, Feb. 3 at 5:30 and 7:30 in Williams Gymnasium and will part of Faculty & Staff Appreciation Night.

The men's basketball team was originally scheduled to play at Bluefield St. on Monday, but that game has been moved, with the new date to be determined.
