The Watauga County Farmer's Market returns to Horn in the West in Boone on Saturday.

Open from 8 a.m. until sellout, the market will feature arrays of homegrown veggies, cheeses, free-range eggs, freshly baked goods and more. Nearly 50 local artists and craftsmen are expected to sell everything from handcrafted chairs to pottery. The market will be open every Saturday from now until October and Wednesdays from June 20 to September 12.
