Due to impending winter weather, the Watauga Pioneer basketball schedule for Friday has been changed.

Friday's game vs. South Caldwell has been moved to varsity games only. Varsity women will start at 4:30 PM with men to follow. JV games will be made up at a later date.

If Friday's games end up being canceled due to weather, then Watauga would host South Caldwell on Tuesday, Dec. 22 with JV's starting at 4:00 PM. Watauga would postpone their game at Wilkes Central and South Caldwell would postpone their game at McDowell. Those games would be made-up at a later date, schedule permitting.
