The winter storm that hit the Mid-Atlantic Friday morning has played havoc with the local sports schedule.

Both the Watauga High and Appalachian State wrestling teams had matches postponed this weekend. The WHS wrestling team was scheduled to compete at a tournament at West Lincoln High School on Saturday. But that tournament was cancelled and will not be rescheduled. The Pioneers won't compete again until January 2 at the R.S. Central duals.

The Mountaineers had their home opener with Virginia scheduled for Saturday wiped out by the inclement weather. The Mountaineers hope to make up the match sometime in February or March.

The Mountaineers travel to Greensboro for the Southern Scuffle December 29-30. Their home opener will be against UNC-Greensboro January 14.
