Nationally recognized Wayne Henderson of Rugby, Virginia, has built guitars for Eric Clapton, Doc Watson and others. He may even build you one. A one-dollar raffle ticket buys you a chance to win one of his topnotch instruments. The Ola Bella Reed Homecoming Festival is raffling a Henderson D18 guitar to raise funds for the festival. The festival, in its second year, will be held August 17-19 at the American Legion Memorial Ball Field and old Lansing School in Lansing.
