Barbeque and sunshine: Just the ticket for a perfect Saturday. Barbeque, courtesy of the Lansing Fire Department will be available in the Lansing Town Park- at no cost to your wallet.

There is, however, a catch- you have to cleanup.

The Lansing Town Park Creeper Trail Committee is soliciting local volunteers to help clean up the 1/3 mile trail in preparation for paving. While middle and high school students will be able to use this event to get volunteer hours, everyone who volunteers will get a free meal.

The cleanup starts at 8 a.m. and is expected to last until noon. The public is encouraged to bring weed eaters with blades, gloves, rakes, chain saws- and comfortable shoes sans the open toes. For more information, call the Town of Lansing office at 336-384-3938.
