For Sale: Compair Kellog industrial 5 horsepower single phase, 2 stage air compressor. Has been run very little. Retails for \$2,000.00. 208-230 Volts. 1725 RPM. \$750.00. Call 828-964-3990.

For Sale: 1940 Ford 9N project tractor. Not currently operating, but it does turn over with the starter and has fired with new ignition system. It would make a good foundation for a restoration or an extensive parts tractor. Have almost all the parts available. \$600 828.264.0870
