Wanted. ■ Wooded planks (free of course) to make raised garden beds at Parkway, Bethel and Mabel elementary schools. We want to use untreated lumber. This can include 2x4, 2x6 and 2x8 lumber, at least 3 feet long. Also boards for sides that can be 1x6, 1x8 at least 4 feet long. We might also use this lumber for small construction projects.

**In need of a camper shell** in good condition, that fits 85 gmc full size long bed pickup truck, also need 4 original gmc or chevy hubcaps that will fit 15 inch wheels on same vehicle. jeffparsons45@yahoo.com
