I have AKC Labrador Puppies for sale, 3 Yellow Males and 2 Black Females. They were born on September 11, 2009. Each puppy is coming along well with using Pee Pads, they are kept outside in the day time and rest comfortable indoors at night. They have each had a lot of human contact and will have to say a little spoiled but in a great way. They would make for a great earlier Christmas present. Mother and Father are on site for new parents to see. For more information please contact Casey Puett at 828-963-3141 or 828-355-9215.
